- Furnished **apartments**
- **Private homes** – pre-screened local properties
- Travel management including **airfare discounts** on American, United and Delta
- Destination management, airport meet & greet, **bus, shuttle, car service**
- Private online booking engine for small group and **individual hotel, air and car rental**

Your cost to use MGE to source location housing?

$0

Our Promise

We will get your production the very best combination of:

1) lowest negotiated rate
2) concession value-added
3) risk reduction

No fees or markups - total visibility into the sourcing process right down to the raw bid data.

100% of your spend qualifies for state and local tax incentives.

Save 17%*
on Hotels

MGE is the #1 customer for most major hotel brands worldwide. We use our size and negotiating power to save you money. We look after all the details too so you can spend more time on production and less on hotels.

Full-service Hotel Sourcing

- Hotel research
- Electronic RFP's
- Bid scoring including bid data
- Site inspections
- Negotiations
- Contracts
- Master account set up
- Issue management
- Master bill reconciliation

And there is never a charge to use MGE to source location housing for your production. †

*In 2019, MGE production clients saved an average of 17% on their location housing budget , many a good deal more.

†MGE may be compensated by hotels on room revenue only. This does not affect your cost.
